Attn: Mr. Keith Baldwin, Director of Operations

To the Elev8 Fun Team:

I wanted to congratulate you and your entire team at Elev8 Fun for being recognized by Seminole County's Board of County Commissions as the June Business Spotlight. Thank you for choosing to be a part of our Seminole County business community.

I was impressed to learn about the work your company is doing to revitalize unused or dilapidated spaces. Your presence in this community helps and employment of 141 workers helps to expand the recreational and employment opportunities for children and families across our county. I appreciate your willingness to be active and involved in our community and to build strong relationships with our County Commissioners.

I am always happy to share some information as to the work we are doing in Tallahassee to support local businesses like yours. Please never hesitate to contact me if I may be of any assistance to you, your family, or Elev8 Fun.

Keep up the great work,
